2019 marks Shroff Eye's 100\textsuperscript{th} Anniversary

We thank all our patients and staff for making this possible. Thank you for your 100\% trust over 100 years.

Our Mission Statement

“Shroff Eye provides 'Quality Ophthalmic Care' with the highest levels of skill, competence and concern, leading to effective care that meets patient needs and ensuring the prevention, diagnosis and treatment of various ocular conditions by adopting the latest technologies, techniques and practices in ophthalmology.”

Anniversaries are a time to celebrate where we come from, but they are also to celebrate how we have changed.

History

1919
Dr. C.N. Shroff returns from London to start practice in Round Building, Kalbadevi, and also founds the Ramwadi Free Eye Hospital to serve the underprivileged.

1929
